Hi Chrysti:

I want to be sure I am accurately tracking your time. :-) I have an email from 12/10/09 stating you were leaving at 10am but didn't show a return to work time. Do you remember what time you returned to work last Thursday?

Also, the last email I have for yesterday's time, you were going to leave the office at noon. Did you leave at noon and take the remainder of the day off?
