Hi Kim,

Due to unforeseen circumstances in my sister's recovery, my doctor can not release me back to work full time and has extended my leave until 6/15/10. You should be receiving updated documentation from his office shortly for my personnel file.

I will update you when I can and appreciate your understanding in this matter.

Thank you,
Chrysi

Hey Chrysi:

I received your check this morning. Thank you for sending.

Please let me know how your doctor appointment goes today.

Thanks,

Kim Urban, MSHR
